# Open Heart Kitchen

*Feeding the Hungry of the Tri-Valley*

# People in the Tri-Valley are going hungry today

Food is a basic human need, yet thousands right here in the Tri-Valley start each day not knowing where their next meal will come from. Hunger is impacting our community in greater numbers than ever before and we need your help to make a difference.

**Open Heart Kitchen serves people in need through three meal programs.**

## **HOT MEAL PROGRAM**

Our Hot Meal Program serves anyone in need. Anyone who is struggling to make ends meet can rely on OHK for a source of nutrition throughout the week for their families.

## **SENIOR MEAL PROGRAM**

Our Senior Meal Program addresses the nutritional gap of low-income seniors. We prepare and serve meals Monday-Friday for seniors at four different sites in the Tri-Valley. The meals are served in a congregate setting promoting both social interaction and healthy eating.

**Often our clients are forced to choose between:**

**Food or Medicine**

**Food or Utilities**

**Food or Shelter**

## **CHILDREN'S WEEKEND BAG LUNCH PROGRAM**

Open Heart Kitchen's Weekend Bag Lunch Program addresses the nutritional gap of children who receive free/reduced school lunches during the week, but lack a secure source of nutrition over the weekend. Bag lunches are distributed to schools in Pleasanton, Livermore, and Dublin every week. By providing a stable source of nutrition to children over the weekend, the program helps mitigate the numerous physical and emotional impacts of hunger.
